

Think Before You Click

I will only use devices that I'm allowed to. I check before I use new websites, games and apps. I ask for help if I get stuck.

I think before I click.
I am responsible so I never share private information.

I will only send friendly and polite messages.
I know that people online aren't always who they say they are.

I **TELL** a trusted adult if I'm worried, scared or just not sure and I do not keep secrets if someone has asked me to.
