

SOUTH GROVE PRIMARY SCHOOL

HOME LEARNING ACTIVITIES TIMETABLE

Home Learning activities will be usually based around English, Mathematics and IPC topic work. English may incorporate the child's topic work into this. At much as possible the teaching staff will try to make the activities as open-ended and as creative as possible.

Reading - There is an expectation that children will read with an adult at least four times a week and their reading records books signed with a comment.

The reason for this is we want to instil a love of reading with every child and we understand the value of how reading supports the developing of early writing skills and food for the imagination when writing!
