

E-safety

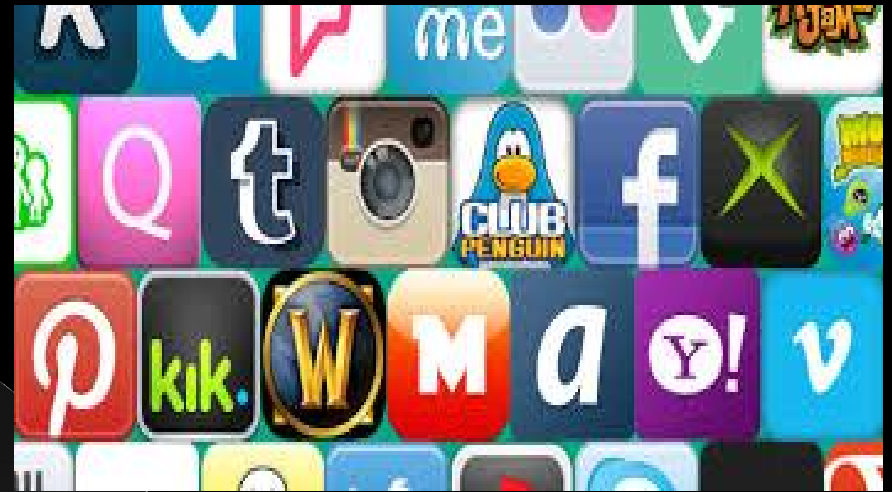

Never trust strangers!

By Aadil

**PLAY SMART,
CHECK THE PEGI RATING!**

The internet can be amazing in all different kinds.

The way to keep safe.

- ◉ Stay safe online
- ◉ Meeting strangers is dangerous
- ◉ Act nice
- ◉ Report if bad language is involved
- ◉ Tell an adult if you see something inappropriate.

Follow these steps

- ◎ Don't give out personal information
- ◎ Don't talk to strangers because they can ask you for personal information and they can put viruses on your account if you tell them your information.

Follow these steps

- ◎ Don't meet up with random online players
- ◎ When you play a game don't tell online players where you live. This is important because they can hurt you or they can do something nasty to you.

Follow these steps

- ◉ Accepting
- ◉ If the online player asks you to send a picture of you to him, never ever do it because they can find out who you are and can bully you.

Follow these steps

- ◎ Reliable
- ◎ Don't listen to random players or people because they may lie about their age and tell you stuff that is not true.

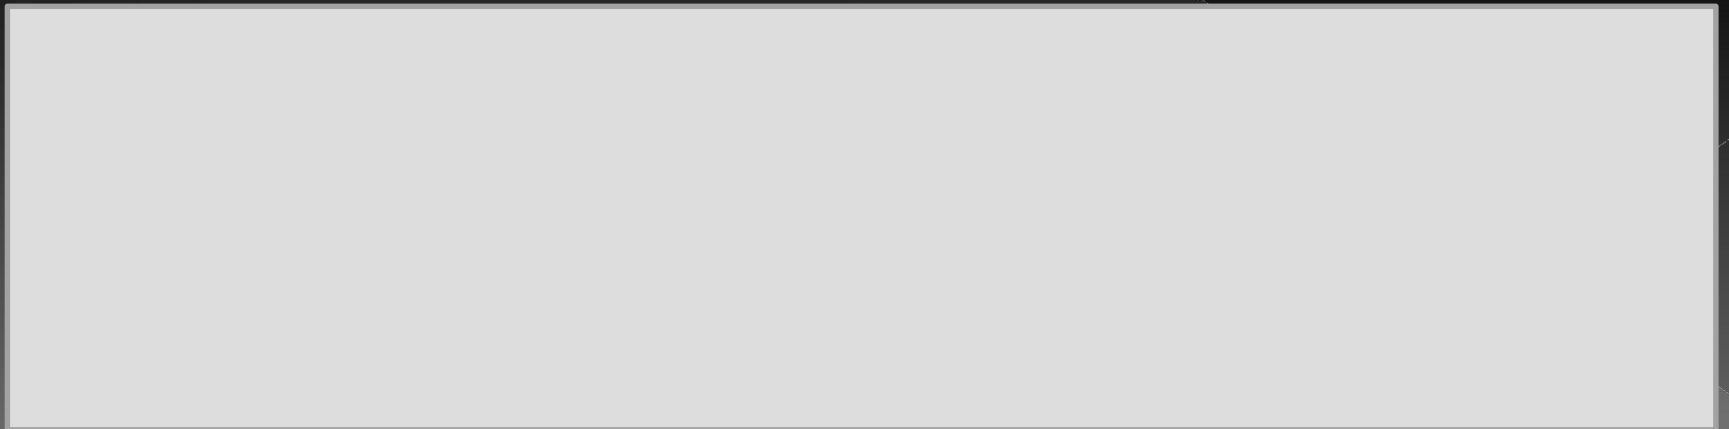

Follow these steps

- ◎ Tell
- ◎ Tell an adult or parent if something inappropriate comes up because it might make you upset.

Which rule should you remember?

- ◉ If your playing a game and a friend of yours is saying bad language.
- ◉ What would you do?
- ◉ How would it make you feel?

Report abuse

- This report abuse sign means when someone is being rude to you or you feel you're not safe you should click on the report sign and it will report them. Only play games that have the report abuse button
