## We are really growing! – Nursery Assemblies

The Nursery children stole the show during their assemblies on Friday. With two performances both in the morning and afternoon for the different sessions, the children shone! Oozing with unbelievable confidence they shared their love of their recent learning with songs and stories to engage and amuse the large audience of parents (and in the morning the whole school!). We were treated to a film of the children growing their sunflowers, drawing and painting them. It was brilliant! They re-told the story of The Zoo using Talk for Writing actions which was confidently done. Their songs really showed how much they love singing with Miss Matthews.

Here is what the parents had to say:

- 'Great assembly Nursery, enjoyed it very much! The children were fantastic!'
- 'Fantastic assembly great singing! Well done Nursery, thoroughly enjoyed it!'
- 'Well done everybody. You had me singing and smiling along.'
- 'What a great assembly. So proud of all the young children.'

## Rights Respecting Schools Award Assessment Day!

A very well done to Ms Spain and the whole Rights Respecting School Steering Group, including staff, parents, Governors and children for their efforts in getting together a vast amount of evidence to achieve the Rights Respecting Schools Silver Award. The Assessor was very impressed with the work that was already taking place and met with a group of parents including Governors, different groups of children and staff.

A learning walk took place where the children showed the Assessor the classroom displays that reflected the children's rights. The school now has some areas to develop and one of these is to develop international and global links. We will try to do this through our International Primary Curriculum.

We have two years now to go for Gold!! Well done everyone for all their hard work!

## Reception - September 2018

Thank you to all of you who have returned your completed admission forms.

We look forward to receiving the remainder before the end of term

## KNICKERS ETC!

We would be very grateful for any knickers, pants, socks and small items of uniform that your children have grown out of which can be used when younger children have 'accidents'  
Thanks!

## Inclusion Coffee Morning

Tuesday 17<sup>th</sup> July  
8.45 – 9.45am

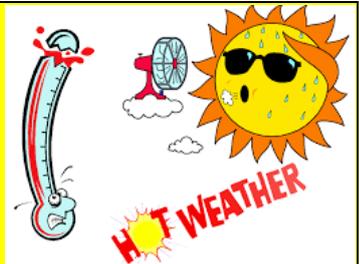

All parents of children with additional needs welcome.

## Hot Weather

Please make sure children have a water bottle in school every day during this hot weather spell.

Apply sunscreen before they come to school and provide a hat.

More pollution is created in hot weather so please walk to school rather than driving wherever possible.

## Music Assembly

Friday 13<sup>th</sup> July  
9.15am

Come hear the music play!

Everyone welcome!

## SUMMER BBQ

Last Friday saw an enthusiastic (and very warm) group of families enjoy a tasty BBQ out by the Secret Garden. Huge thanks to the Friends of South Grove and Ms Montgomery for organising this lovely event and to Ms Spain for getting the BBQ to light!

Please consider joining this small but loyal group of parents so that more events can be organised to help raise money for the school and therefore ultimately – your children. The more people who get involved, the easier it becomes...

At the end of this term we will give any items left in the lost property box or classes to charity

We will be laying all items out at Parents Evening on Thursday.

Please take time to come and check if your child is missing anything. The majority is unnamed but ranges from coats to socks!

Please ensure all your child's clothing is clearly labelled throughout the year (you will need to check and rename after several washes) so we can easily return it to its rightful owner.

## Parents Evening

Thursday 12<sup>th</sup> July 3.30 – 8.30pm

It is important that you come to this as you will receive your child's report and targets. You will also find out the new classes for next year.

Make sure you have requested an appointment with your child's teacher

with my very best wishes,

J. Maltwood.
