

# South Grove Primary School

March 2018

Dear Applicant,

## **Application for role of Teaching Assistant (Special Resourced Provision) Maternity Cover**

Thank you for taking the time to find out more about South Grove Primary School, and the possibility of teaching here. Located in the London Borough of Waltham Forest, we are a larger than average primary school with a nursery, serving a wide catchment area. The school is essentially a two-form entry primary school for children from 3-11 years.

We are also a very inclusive school and have developed a reputation for being such. We have a Resourced Provision for Autism and Global Development Delay of which we are very proud. Please look at our website to find out more about the Resourced Provision. We have a diverse in-take; with over two thirds of our children have English as an additional language. This is a positive, caring and harmonious community. Our unique and innovative school is going from strength to strength and we need strong, imaginative teaching staff to help us build on our successes.

This is an exciting time in the development of South Grove. We have a new strong Senior Leadership Team, an experienced and innovative team of staff and a committed Governing Body. Ofsted rated us Good with Outstanding Qualities.

As a Teaching Assistant you will join our staff team who, together, work hard to make sure that teaching and learning is never less than good to ensure high attainment for all pupils. We have very high expectations for our SEN, EAL, vulnerable groups and G&T pupils and through the right candidate to lead our Inclusion team will drive the achievements even higher.

Before the closing date, we expect all our applicants for this post to visit our school during the school day. The visit will help you decide if this is the school for you and it tells us that you are making a serious application.

The interview will include an observation, a short presentation, a task and finally an interview. We want to give you every chance to show us what you can do! Once you are short-listed we will send you more details.

If you would like to know more about South Grove please look at our website [www.southgrove.waltham.sch.uk](http://www.southgrove.waltham.sch.uk), read our Ofsted Report or come and visit us! You will receive a warm welcome.

Good luck with your application.

Julie Maltwood  
Head Teacher

*South Grove Primary School is committed to safeguarding and promoting the welfare of the children and young people and expects all in the school community to share this commitment. An enhanced DBS check is required for this post.*
